

# Miss Ronda and Miss Susan's PM Class

## November 2018 Newsletter

In November we will be learning about Pilgrims, Native Americans, and woodland animals. We will even have the opportunity to vote for our favorite woodland animal in this important election month. The traveling zoo from John Ball Park will be visiting our classroom as part of our study of woodland animals. We will be having our own special Thanksgiving Feast on Monday, November 19.

### Character Trait for November

Thankfulness is the character trait for November. We will be spending time this month talking about what it means to be thankful and all the things in our lives that we are thankful for. We will also be practicing to remember to say "thank you" to those who do things for us every day.

### Thank You!

We would like to thank all of you for taking time out of your busy schedules to sit down with us at conferences!

Thank you also to everyone who helped out in some way at the Halloween party. We had so much fun. We couldn't do it without you. Thanks!

### Cold Weather

**We will spend the first 30 minutes on the playground. Please dress your child for the weather with this in mind.**

Just a reminder to please label all of your child's cold weather clothing! This helps to keep hats, mittens, scarves, etc. from the lost and found. Also, when it becomes boot weather make sure they have a pair of shoes or slippers in their bag to change into. They need to have footwear on in the classroom. We would also appreciate it if you could have your child totally ready for the playground before we get them out of the car. This helps to keep the line moving. Please, if at all possible, send your child to school in waterproof mittens instead of gloves. Gloves are tricky and can lead to frustration. We would like to see the children have success with their self-help skills.

Thank you!

### Thanksgiving Feast

Our class will be celebrating a Thanksgiving Feast on Tuesday, November 20 at 2:30. The children will sing a couple of songs for you in celebration of the holiday and then they will sit down for a feast together. It is sure to be a great time. Thank you to everyone who signed up to provide something to make our Feast extra special! If your child will not be at school on this date please let us know in advance. Thanks!

### No School

Please note that there will be no school for our class on November 15 & 16. We will be at the National NAEYC conference in Washington DC. We are looking forward to this wonderful professional development opportunity! There also will be no school on November 22 and 23 for Thanksgiving Break.

## Illness

Unfortunately cold and flu season is upon us. We ask that you please call the preschool office to report any absences. The office phone number is (616)459-7386. Thank You!

## Important Dates & Information
