February 2019 Newsletter

In February we begin the month learning about shapes. We will celebrate Valentine's Day and we will have so much fun learning about transportation and space!

Character Trait for February

The character trait for February is **kindness**. We witness many acts of kindness in our classroom. The children compliment each other, cheer each other on, and help each other. We will continue to positively reinforce and model this trait in our classroom this and every month!

Important Information

Valentines

We welcome each child who would like to pass out valentines to classmates to bring them to school on February 13. We have 12 students in our class and encourage you to please have your child bring a valentine for everyone. **We have found that it is easiest if each valentine is signed by your child and is simply addressed to "my friend" or not addressed with any name at all.** This eliminates the frustration of trying to read names and find a friend's holder. Our Valentine's Party is at 2:30 on February 13. Please check the Valentine Party sign-up sheet on our bulletin board in the hallway to see what you may have volunteered to plan or provide.

Kindergarten

Please check with the school or school system that your child will be attending next year for any kindergarten/young 5's forms that need to be filled out by us. Feel free to send in the forms as soon as you have them for us to fill out. Thank You!

Just A Few Reminders

Missi wanted us to pass along the following friendly reminders.

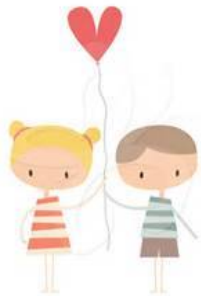

- Please enter and exit through the **main door only**.
- Please **do not** park in the handicap parking spaces. They should be left open for the people who are handicapped. Parking in those spaces is a disruption to the dropoff process.
- Please be on time when picking up your child.
- Please call the preschool office if your child is ill or will be absent.
- Please, if your child has been ill, make sure that they are symptom free for at least 24 hours before returning to school
