We will begin circle time this month with the song Jump Up! by Brady Rymer. We love this song because we get to start our morning jumping! We have been focusing on spelling and learning the letters of our name. Learning our names is the springboard for literacy learning in preschool. In three year old preschool, we focus on name recognition and the spelling of our name. Ask your child how to spell his or her name; practicing at home will reiterate what we are learning in school.

Valentine Party

We are excited to celebrate Valentine's Day with your Preschooler. We have a mini celebration planned. Thank you to the families who have offered to bring in party supplies

- Audrey, Plates and Napkins
- Rosie, Juice
- Norah, Cupcakes

Our students will take part in a Valentine Card exchange. Please purchase enough cards for 12 students. No need to address every envelope, just leave the name blank so your preschooler can easily place in their peer's bag. Please let Miss Erica or Miss Susie know if you need assistance with the purchase of Valentine cards.

February 2019 ➔ *Snack Information*

We ask that our parents provide healthy, gluten free snacks for our preschoolers. We ask for gluten free items because we have some students on restricted diets. We understand that sometimes it may be difficult to find certain items gluten free. We completely understand if you need to make an alternative gluten free choice, we leave this up to your discretion. You do not need to check with us, any gluten free alternative will be acceptable. Please bring enough snacks for 12 preschoolers. You do not need to send a drink or paper products, as we provide them. Thank you!
